

# Who Am I?

No matter how loud you yell if you come to visit me, I will never hear you. WHO AM I?

~~~~~

If you came to visit me, you could jump higher, throw a baseball farther, and you would weigh less. WHO AM I?

~~~~~

I am made of rock and when people come to visit me, they usually take some of me home. WHO AM I?

~~~~~

When I look to the sky it is always black and the stars shine all the time. WHO AM I?

~~~~~

I am very, very old, but the first time anyone ever came to visit me was 1969 and the last time some one came to visit me was 1972. WHO AM I?

~~~~~

Part of me is very shy and this part of me will never face you. Some people call this my "far side." WHO AM I?

~~~~~

I am white and round. WHO AM I?

~~~~~

I appear to change shape. For part of the month, I look full and round. Other parts of the month, I look like a crescent shape and other times of the month, you can not see me at all. WHO AM I?
