

My T-Shirt

In many parts of the world, family shields, masks and fabrics were a way to represent one's self. Today's young people wear T-shirts to symbolize their nature. Imagine the T-shirt below is yours. Draw (insert) a visual or graphic response to each question that reveals **YOU**. Do not use any letters or numbers. To insert images, clip art icons or draw click on the boxes inside the T-shirt.

1. Where and what do you plan to teach?
2. What teaching or similar experiences have you had?
3. What has made you proud?
4. What makes you anxious about teaching?
