

The Moon

What belongs? What doesn't belong?

Instructions:

Listed below are 15 vocabulary words. Discuss with a partner or in a small group which words belong to the topic of the moon and which do not. Circle the words you think *DO NOT* belong and place a check next to the words you think *DO* belong. After reading the text, come back and revisit this list. Cross out words that you now know *DO NOT* belong.

| | | |
|-----------|-----------|-----------|
| satellite | mountains | oceans |
| crescent | Apollo | flatlands |
| sunsets | gravity | noise |
| moonquake | hot | lava |
| soil | crater | air |
