November & December

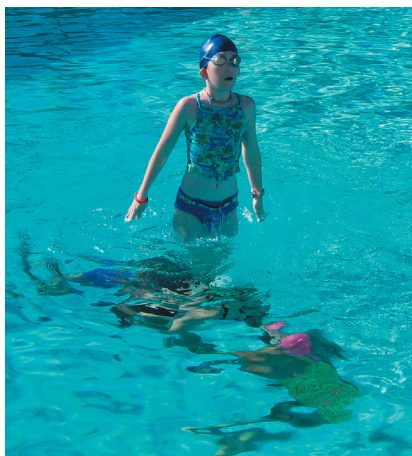

In The Meows:

🐾 Please check your calendars for schedule changes a week before, especially Saturdays, as we have to work around the city's fall lesson program/lifeguard training program.

🐾 Please submit (in writing) the dates your daughter will be missing practice during the holidays.

🐾 **Team Routine Suits:** The girls have been measured. You will be contacted about decorating the suits in December/January. The suits will need to be finished prior to the meet in February. Mary will pay for the suits and bill everyone on their statement.
